

TRAFFIC CHANGES IN BOG WALK GORGE

The National Works Agency (NWA) is advising that effective Monday August 16, 2010, only south bound vehicles (those heading towards Spanish Town) will be allowed through the Bog Walk Gorge, between the hours of 7:00 am and 9:00 am on weekdays. Between the hours of 4:00 pm and 7:00 pm on weekdays, only north bound vehicles (those heading towards Bog Walk) will be allowed through access. Two-way traffic will be allowed at all other times.

The changes are being implemented for a period of six months until January 2011, in order to facilitate the major pipe laying project now being undertaken by the NWC. During the period of restricted access, motorists and being advised to use the alternative routes through Barry and Sligoville.
